

# RENT REPORTING FOR CREDIT BUILDING

CREDIT  
BUILDERS  
ALLIANCE

Interested in  
learning about  
rent reporting?

➔ Contact us at [programs@creditbuildersalliance.org](mailto:programs@creditbuildersalliance.org) to learn more about how CBA can support you in Rent Reporting for Credit Building (RRCB).

Is rent reporting  
a good fit for  
my organization?

➔ Contract CBA to conduct an organizational assessment and support the design and implementation of your organization's rent reporting for credit building initiative!

How can  
my organization  
implement a  
rent reporting  
program?

CBA will assist your organization in...

- determining your readiness, capacity, and reporting options;
- organizing CBA's Credit as an Asset training for staff (visit [creditbuildersalliance.org/credit-building-training](https://creditbuildersalliance.org/credit-building-training) for more information);
- tailoring our RRCB toolkit of resident outreach, credit education, & outcome tracking strategies for incorporation into your organization's existing or new programming.

## Get started!

### Step 1:

Join CBA as a  
general member.  
Join today!

### Step 2:

Contact us at  
[programs@creditbuildersalliance.org](mailto:programs@creditbuildersalliance.org)  
to decide what's  
right for your  
organization!

**Cost: We will create a customized consulting package that is tailored to meet your needs. We will work with you to create a no-obligation proposal of services. Consider becoming a CBA member to take advantage of reduced rates!**

---

*Rent reporting is an investment in your organization and in your residents. Let us help you raise funds to cover our costs and yours.*

---

If your organization is interested in pursuing rent reporting without CBA's assistance, we are still happy to refer you to our contacts at the credit bureaus. Email [programs@creditbuildersalliance.org](mailto:programs@creditbuildersalliance.org) to request a free referral.

**Disclaimer:** The credit bureaus do not charge property managers to report rental payment data. Any cost associated with CBA's Rent Reporter service is CBA's alone. Using CBA's Rent Reporter service does not guarantee that your organization will be approved by the credit bureaus to report rental payment data, as CBA does not have any right or power to create any obligation, express or implied, on behalf of the bureaus.

## Why Credit Builders Alliance?

Whether large or small, it is not surprising that every mission-driven affordable housing provider has issues and concerns specific to its operation, markets, and geography.

For organizations seeking to develop or enhance their credit-building efforts to meet resident needs and organizational goals, CBA developed and now offers a unique rent reporting for credit building consulting service. CBA Rent Reporting for Credit Building offers targeted organizational assessments, program design, implementation, and outcome tracking consulting to members seeking to develop or enhance their credit building efforts based on their respective residents' needs and goals as well as organizational missions and capacities. CBA brings general credit building and specialized rent reporting expertise, industry connections, and credibility to organizations interested in investing in rent reporting as a credit building opportunity for their residents.

CBA consulting engagements are tailored to clients' specific goals and opportunities, but every organization benefits from:

### Our One-of-a-Kind Expertise

CBA is the only nonprofit in the country with expertise and direct experience in implementing rent reporting as a credit-building opportunity for residents living in affordable housing.

### Our Unique Focus

With an exclusive emphasis on credit building programming, CBA offers unrivaled expertise and industry insight.

### Our National Perspective

CBA has an extensive network of members and asset building partners working on a range of innovative and compelling programming — including rent reporting — generating invaluable insights into lessons learned, successes, and best practices on topics ranging from consumer credit-building education to product design and delivery.
